### JOIN US ON THE BEAUTIFUL

**ST. LAWRENCE RIVER** in the historic Thousand Islands for a celebration of small boats past and present.

For **ONE DAY** the Antique Boat Museum's riverfront campus will be filled with small craft afloat & ashore.

The Festival is all about getting on the water; *here you can try the boats you admire!*

The ABM's own fleet of small craft will be available for demonstration and use. Children can build and launch their own cardboard creation thanks to Reinman's Department Store for providing materials.

### Concessions:

Visit ABM's Concessions in the Tent for hot dogs, brats, and drinks!! (while supplies last)

*Official Festival of Oar, Paddle & Sail posters are available in the Museum Store. Printing generously donated by Canfield & Tack.*
